Kooler Design Studio : Bookmarks (Leisure Arts Cross Stitch) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bookmarks (Leisure Arts Cross Stitch):

Two things I have imparted to her, a love of reading and a love for counted cross stitch. 0 of 0 people found the following review helpful. Five Stars By Books Threads The bookmarks are nice, and the instructions are clear.

Treat your favorite reader to a special marker with a beautiful cross stitch design. Perfect for prefinished bookmarks made of 14 and 18 count cross stitch fabric, here are a dozen designs featuring flowers, butterflies, birds, and pottery. One incorporates the reader's monogram and another spells out READ in fun patterned letters.
