Diana Civil : Candles: Over 20 Projects for Making and Displaying Candles (Inspirations Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Candles: Over 20 Projects for Making and Displaying Candles (Inspirations Series):

Candles provides background information on materials and techniques used in making a variety of decorative and practical candles. The author provides ideas on how to use them to their best effect in lighting at parties and other

social settings. '
