**DC Comics : Catwoman Vinyl Journal** before purchasing it in order to gage whether or not it would be worth my time, and all praised Catwoman Vinyl Journal:

Great journal for us Catwoman fans!By Vanessa StrangeThis is a nifty journal for scribbling those ever so important messages or notes for us Catwoman fans. It's lined, which I strongly prefer since my penmanship is subpar to put it mildly. I also recommend the spiral Catwoman journal, the two go so well together,,,not matching, but both so useful. I like the purple and black,,,and the Catwoman drawings are terrific,,,,,yup, this is a keeper,,,,,hurray, Catwoman!0 of 0 people found the following review helpful. Cool JournalBy cuervitoMy sister likes catwoman and mentioned to me she wanted to start writing on a journal. I got her this and she loves it!

She is Catwoman: one part villain, one part temptress, 100% feline fatale. Inspired by vintage Catwoman but purrfect for young fans as well, this journal dresses the slinkiest, sexiest, and slyest cat burglar of all time in purple and black

vinyl.
