So Different!By Mountain GrannyThis is such fun and such a different technique to any quilting I have done before. Great book for learning and there are several lovely patterns from which to choose. Very good directions, that may sound a bit weird at first, but the finished product is well worth it. Just follow the instructions and you will be amazed at the outcome!

Creating unique and beautiful decorations for the Christmas season has never been so easy and exciting! Cindy Walter's revolutionary technique in which small "snippets" of fabric and fusible webbing are used to "paint" on fabric is now being put to use in holiday projects! This festive new booklet introduces readers to the basics of the technique and guides them through step-by-step instructions for 10 fun holiday projects, including wreaths, snowmen, and a Christmas tree.
