I love each and every page of this book. My book was a great buy and in great condition. I was happy to find it on at such a great price.When I lived on Cape Cod, I loved shopping in her wonderful stores. She is a great artist, loves the Cape and Islands like me. This book is the essence of the Cape..It makes a great coffee table book, one you will enjoy looking through, and so won't your guests.I highly recommend this book to all. has great books!!!0 of 0 people found the following review helpful. I ordered it for a needlepoint chart that is inside and it is fine but if I had wanted to book for other uses, I would have been more disappointed.0 of 0 people found the following review helpful. Great!By pBeautiful book. Shipped promptly. Very pleased.

Nantucket's lure is undeniable. In this pictorial coffee table book Claire Murray takes you on a journey through Nantucket. From mermaids and myths, landmarks and legends, seaside cottages and Nantucket gardens, Claire shares her inspirations for her beautiful needlework. A treasure for someone who loves needle art and the romance of the sea.

A full color 120-page perfect-bound book, this makes an amazing gift. Stunning photography takes you to the places that inspired Claire Murray's designs. Detailed instructions and patterns are included so that you can recreate these beautiful works of art. Nantucket Lightship Basket is a Claire's Classic design. Included are Home Sweet Home, English Garden, Rose cottages and unforgettable Sirens of the Sea patterns. This book is an inspiration to all who love the needle arts and Nantucket.
