Diana Ramsey I saw this book advertised on line, and as I do a lot of techniques with different mediums, it looked really interesting. So interesting that I went for a 2 hour bus ride (each way) in order to purchase the Dura-Lar to try the techniques out. The photos are great and there are lots of ideas that I want to use for Artist Trading Cards, Inchies, Twinchies and just regular greeting cards. I see endless possibilities. Time to stop talking and get on with a project! 0 of 0 people found the following review helpful. Five Stars By Stephanie Romines love this.

Stamping on clear acrylic will have you looking for images that appear fabulous from both directions.
