Invaluable information for any soaper, novice and expert alike. By Hari Half way through the book and so far I'm happy with it. It contains an

enormous lot of relevant information, much of which I haven't found in other books. Binding is solid and quality is what you would expect of a well made book. It's a must have book for any serious soap maker. 0 of 0 people found the following review helpful. I love Catherine Failor's book also but this one streamlines the ...By J. Chandler Very informative. I love Catherine Failor's book also but this one streamlines the process.

In "Liquid Soapmaking" you will find clear explanations accompanied by full color photography, tables and charts illustrating how to: a) Successfully create sparkling clear soaps quickly and easily every time. b) Formulate liquid soap so you never have to dissolve a stubborn soap paste again. c) Make the most luxuriously thick shower gels ever. d) Color, fragrance and thicken your liquid soap. e) Add nutritive value with herbal extracts and infusions. f) Extend the shelf life and stability of your soap. g) Formulate your own recipes.
