Randal J. Metz : Making Puppets the "Fairyland Way" before purchasing it in order to gauge whether or not it would be worth my time, and all praised Making Puppets the "Fairyland Way":

2 of 2 people found the following review helpful. Love this book! By Maria Rodriguez This book is AMAZING! I've been a huge fan of the Open Storybook Puppet Theater for years and had the pleasure of watching many of the shows at Childrens Fairyland. Both Lewis Mahlmann and Randal Metz are incredible puppeteers who've captured the imagination of hundreds of thousands of children over the years. I can't believe they've made this book! It's a step-by-step guide on how to make puppets in the style of the puppet theater. Not only does it have pictures to guide you every step of the way. But it also has all of the patterns. As a person who creates many of her own clothes and costumes, the patterns are always the hardest thing to figure out. This book saves hours of trial and error by providing all of the patterns for you. It is incredibly generous of them to provide all of this information! If you're interested in making puppets, this is the book for you! It has everything you need to make hand puppets, rod puppets and marionettes.

Absolutely brilliant!

Step-by-step instructions and patterns for making hand puppets, marionettes (string puppets), and rod puppets from cloth. Photographs illustrate each step as well as details on making wigs and costumes.

About the Author Randal Metz has been a puppeteer since the age of 10. He has studied with Lewis Mahlmann, Bob Baker, Lettie Schubert, and completed a Master Class taught by The Muppets. Randal is the director of the Storybook Puppet Theater in Children's Fairyland, Oakland, California.
