Tom Lynn, Ginger Lynn : Making Toy Trains in Wood before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Toy Trains in Wood:

0 of 0 people found the following review helpful. PlaytimeBy Quinlan.Nice book, full of ideas0 of 0 people found the following review helpful. Five StarsBy Michael J MagyarJust what I needed.0 of 1 people found the following review helpful. Five StarsBy charles bradfordas advertised,and speedy delivery

Designed for newcomers to woodworking as well as those with more experience, this book contains instructions, colour photographs, drawings and close-ups of each step. No special tools are required for any of the projects and all that is needed are ordinary power tools, or even hand tools. Many of the projects are inspired by historical events and actual trains from the past and there are tips and shortcuts to show how to make each project look individual.
