Beautiful MandalasBy EkramThe Designs in this volume are stunning!!! Some of them are too detailed for my level, others are workable with just a bit of extra care. I'm really hoping I can work my way through all the designs from the easiest to the advanced :D0 of 0 people found the following review helpful. Five StarsBy CustomerGorgeous designs.....lovely book.

For centuries, people of almost every culture from the Navajos to the Hindus to the Celts have used the mandala as a form of creative expression. A sacred symbol meaning "universe" or "wholeness," the mandala is a complex circular image that uses patterns and geometric designs to draw the eye to its center, creating an appeal that's almost hypnotic. In this gorgeous collection of mandala patterns for stained glass, ninety-nine royalty-free images present pure inspiration for a variety of projects, including window panes, sun catchers, and other works of art.
