8 of 8 people found the following review helpful. Fantastic patterns and quilt photosBy Luanne ChittendenThis is a timeless book of Mariner's Compass patterns. Paper piecing makes this intricate block very do-able and accurate. Instructions are clear. All of Judy M's compass books are worth buying no matter how long in print.0 of 0 people found the following review helpful. Five StarsBy joy Pgreat2 of 2 people found the following review helpful. Easy to followBy VickiAnneThe directions are easy to follow and show good technique in order to complete the quilt. Patterns are easily accessible and easy to ready. Can't wait to make some of these!

A collection of projects for creating quilts using the compass rose pattern as seen on old maps, with 11 full-size patterns for traditional 16 or 32 point compasses, as well as designs based on the six-spoked wheels of Costa Rican carts and other off-centre compasses.
