Bruce Taylor : Marionette Magic: From Concept to Curtain Call before purchasing it in order to gage whether or not it would be worth my time, and all praised Marionette Magic: From Concept to Curtain Call:

0 of 0 people found the following review helpful. This is a very good book on marionette building with both clear written instructions ...By Melody Grandy KellerThis is a very good book on marionette building with both clear written instructions and detailed illustrations. Plus the author's sense of humor puts the reader at ease. I highly recommend this one.0 of 0 people found the following review helpful. Four StarsBy T.BVery good Marionette book , very well written and fun to read .presently out of print

Provides detailed instructions for inventing and constructing string puppets and staging a marionette production.
