Joel Stern : Origami Games: Hands-On Fun for Kids!: Origami Book with 22 games, 21 Foldable Pieces: Great for Kids and Parents before purchasing it in order to gage whether or not it would be worth my time, and all praised Origami Games: Hands-On Fun for Kids!: Origami Book with 22 games, 21 Foldable Pieces: Great for Kids and Parents:

2 of 2 people found the following review helpful. fantastic funBy T. L. CoonsDaughter (5) and I have great fun working through these projects one at a time and then ****playing**** with them. Great introduction to origami. Better than expected and more challenging than it looks at first glance!In fact, a very good primer for fostering engineering principles (following directions; attention to detail; optimization for intended use; imagination/creativity; resilience/perseverance; effectively using available resources to create 'something out of nothing'; et al.).0 of 0 people found the following review helpful. Great ideasBy Silly MimiA gift for a creative grandson0 of 0 people found the following review helpful. All-in-all, highly recommended!By Michael U. SandersThis is a great origami book for the classroom! It is filled with fun paperfolding games and ideas in under 100 pages- all simple projects that are relatively easy to follow for even novice folders. The instructions are clear and the diagrams handsomely illustrated.As an added bonus, Joel includes suggestions for parents and teachers at the end of the book, as well as pointing the way to

additional resources.

Fold and play fun origami games with this easy origami book for children. Origami Games is a unique twist on the traditional origami paper craft book. It contains clear and easy illustrated instructions for creating whimsical origami game pieces. At its heart, it offers suggestions on how to use origami to play both fun, competitive, and cooperative games, building individual skills and teamwork. A perfect origami-for-kids book it also encourages folders to come up with and document their own customized games using a template provided in the back of the book, making it a great way to learn origami. There's even a section for parents and teachers that discusses the educational and developmental benefits of origami, along with suggested classroom activities. Expert paper folder Joel Stern has carefully prepared these playful models and stimulating games to appeal to children's natural desire to build things and play with them. By using models made from regular letter size (8 1/2 x 11-inch) paper, Origami Games gets paper folders started quickly and easily. The large color photos and a easy origami instructions makes learning the folds a breeze. This origami book contains: 89 page, full-color book 22 original origami games 21 foldable origami game pieces Clear, step-by-step instruction Tips and guide to using origami in the classroom You'll soon find that making the origami components of the games is just as fun as playing the games themselves! Origami games include: Balancing Act Basket Bombs Flying Saucer Froggie Olympics Relay Rings Slay The Dragon Bowl 'Em Over And many more

"A wonderful combination of origami papercraft and entertainment!"
