There are 2 or 3 "toys" that can be made in a somewhat easy way but it can be complicated if you are unsure of your folds. I gave this book 4 stars because he makes a good effort to make himself clear. I will keep practicing and hope I do better. 0 of 0 people found the following review helpful. Five Stars By seagirl400 nice and easy to follow instructions 1 of 1 people found the following review helpful. A good basic origami book. By Wilma J. Kinsey I have been folding since 1966 and own many origami books. This is a good one to start with. But Kindle is not the venue for doing origami. As I have learned.

Interactive origami toys from world-renowned master . . . Step-by-step instructions for making more than thirty

interactive origami toys that flap, jump, fly, spin, bang, tumble, turn inside out, peck, snap, rock, and talk.
