This book consists of mostly pictures of completed scrapbooks with no instructions on how to construct the actual books. I believe they did have a list of materials you would need to create the book but no instructions. For this price I expected more. I returned the book to .1 of 1 people found the following review helpful. :-(An Idea Book -- Not a How-To book. :-(By DaleA 3-star rating of "It's Okay" pretty much describes this. I thought I was buying a book which would teach me how to actually construct different types of mini-albums myself but this is more of an idea book, with suggestions for

themes and ways to embellish pages, like so many already out there for scrapbookers. There are a few new book/album types, with instructions templates for actually constructing the albums, but most of it isn't so different from idea books for embellishing larger scrapbook pages. 0 of 0 people found the following review helpful. This book is filled with detailed understandable instructions. Creating any or all should be do-able but I gave this book a five for the inspiration not the instructions. My books will be my way based on inspired images from this book.

The Best Things Come in Small Packages
Big memories don't require big pages. You can showcase your most important moments in irresistible, adorable mini scrapbooks!
Outstanding Mini Albums is filled with inspiration, ideas and instructions for creating mini scrapbooks of all kinds, from cleverly embellished store-bought albums to books made completely from scratch. Fifty fabulous illustrated projects show you how mini albums are perfect for scrapping lots of photos quickly, displaying your memories around the house, and giving as one-of-a-kind gifts.
Step by step, you'll learn to:
• Make pre-made albums all your own with fun themes and original embellishments.
• Reinvent everyday items like coffee cups and CDs as pages for handmade mini books.
• Master new techniques, like crafting faux epoxy letters and homemade buttons.
• Give your creativity a mini makeover!
When a scrapbook page seems too small but a whole album seems too big, **Outstanding Mini Albums** will help you get it just right.
