Penny Boylan : Painting on Glass before purchasing it in order to gage whether or not it would be worth my time, and all praised Painting on Glass:

0 of 0 people found the following review helpful. Oversized Book with Undersized ContentBy Grumpy Whiny Old ManSeveral issues make this a worst buy. The information provided is all generic - no specifics as to manufacturers/brands for any material. Printing style is difficult to read - odd color pages and side bars are hard on the eyes.Very disappointing. Would return but that costs more than the book.22 of 23 people found the following review helpful. Info on sponging, stippling, blending and outliningBy Midwest Book ReviewIn Painting On Glass, applied arts specialist Penny Boylan provides an informative review of the techniques, materials, and paint selection relevant to creating images on a glass medium. Included is important "how to" information on sponging, stippling, blending and outlining that come into play with the twelve step-by-step projects for creating intricately designed vases, etched

picture frames, hand painted jugs and glasses, frosted windows and door panels. Painting On Glass is ideal for the beginner and has much to offer even the more experienced artist in the medium.

If you want to fill your home with beautiful glass pieces or create ideas for original gifts, this title aims to provide you with ideas and designs to inspire, as well as all the skills needed to get started. There are twelve step-by-step projects to cover a variety of techniques including gilding, decoupage, frosting, etching, embedding, scraffito and stencilling. Different methods of applying paints are considered from stippling and sponging to outlining and blending.

About the Author Penny Boylan originally trained in fashion textiles as a designer for major retailers. She now works in the applied arts, specializing in the design and visualization of creative, practical ideas for the contemporary interior. She has written four books including 50 Step-by-step Christmas Crafts and Making Memories: Scrapbook ideas for photographs and keepsakes.
