By Emailia WebTummy time quilts are the way to go for baby gifts for this chapter of my life and this book has at least a dozen easy-to-follow patterns. Have two cut out already, just have to finish what I already started before I can begin. A variety of border patterns are also included and that has helped me in other projects; they also show several of the quilts in different colors, a big help to me who is frequently challenged. 0 of 0 people found the following review helpful. I'm glad I finally got it. By Maria S. I had wanted this book for quite a while. I'm glad I finally got it. Lots of patterns to choose from plus suggestions for different backgrounds borders, as well as a small gallery page of quilts made using the patterns imagination. The instructions are clear the photos large. Easy to create the patterns from the pictures, even without reading the instructions. 4 of 4 people found the following review helpful. LOVE PETS By Kindle Customer I LIKE PETS AND I WANTED TO MAKE SOMETHING DIFFERENT FOR BABY BLANKETS. ALSO

THOUGHT ABOUT USING THE BORDER PATTERNS ON LARGER QUILTS. EVEN THOUGHT ABOUT USING THE ANIMALS AS A CENTER BLOCK AND BUILD MATCHING BLOCK AROUND IT. THIS BOOK GIVES ME LOTS OF IDEAS TO EXPAND ON.

Turn simple squares into adorable little quilts! This book from Quiltmaker magazine brings together the first 12 quilts in its Patch Pals series. The quilts are all the same size (40" x 50"), with interchangeable borders that offer lots of variations. A Reader Gallery shows more variations to inspire you, plus Color Your Way diagrams let you experiment with your own fabric color ideas. These quilts will be great gifts for babies and kids, as well as fun lap quilts for all ages. 12 Designs: Ruff Patch (dog); Purr Patch (cat); Beary Patch (bear); Quack Patch (duck); Bunny Patch (rabbit); Banana Patch (monkey); Prickly Patch (hedgehog); Peanut Patch (elephant); Hoo Patch (owl); Pokey Patch (turtle); Polar Patch (penguin); and Jingle Patch (reindeer).
